MESSAGE FROM THE PRESIDENT & CEO

Join friends, sponsors and donors alike for a fun-filled day of camaraderie and goodwill at our annual Lee Newton Memorial Golf Tournament.

Your involvement in our annual golf fundraiser also serves an important role in helping Manitobans with food insecurity. Let's all give a special shout-out to Payworks and all of our sponsors for their continued support of this important event. It's much appreciated.

Food bank usage is up, grocery prices are climbing and rent increases are all in the news daily. With over 380 agency partners in the province, Harvest Manitoba is grateful for all your support.

This year, we'll be collecting non-perishable food items at the event, so please remember to bring a tin for the bin to help feed our neighbours in need.

Have some fun, reconnect with old friends and join fellow Harvest Manitoba community leaders in working toward a future where no Manitoban goes hungry.

Vince Barletta, Harvest President & CEO

Lee Mae Newton

Lee Mae Newton founded Winnipeg Harvest in 1983, inspired by a documentary she saw on the development of the New York food bank "City Harvest." Lee led a small volunteer board that worked tirelessly to open Winnipeg Harvest on July 1st, 1985. She considered Winnipeg Harvest to be her purpose in life and was passionate about it in her understated way. She also raised public awareness about hunger and the work of Winnipeg Harvest, now named Harvest Manitoba, through speaking engagements and interviews. Lee was loved and respected by everyone at Harvest Manitoba and in the community that supported it because she treated each person with the same concern and respect, from corporate sponsors to the newest volunteer sorting groceries.

Lee would be so proud of YOUR commitment and generosity to Harvest Manitoba.

Thank you!
